

# Acuity Consultants

---

## ACUITY CONSULTANTS

Acuity Consultants is a specialist recruitment agency that focuses on the placement of **IT, SAP, Analytics** and **Finance** professionals. We work with firms across all locations in South Africa.

Our extensive client base includes firms in the following industries:

- IT Consulting
- Software Development
- Investment Banking
- Asset Management
- Financial Markets Consulting
- Insurance

We offer the following recruitment services:

- Permanent Placements
- Contract Placements
- **Executive Search**

## THE RECRUITMENT PROCESS

Upon receiving a requirement from a client, our candidate resourcing team conducts a search to ensure that a selection of high calibre candidates is available to the client. Candidates are sourced from the following:

- Acuity Consultants' Internal Database
- Networking and Referrals
- Headhunting
- Online Advertising Campaigns

All candidates are rigorously screened to ensure that they are a strong match in terms of skills and personal competencies.

## SERVICE

We pride ourselves on our professional approach and focus on service quality. We understand our clients' businesses and build long term meaningful relationships with them. Our communication with clients and candidates is frequent and open to ensure that all parties are kept informed at every stage of the recruitment process.

## BEE STATUS

Acuity Consultants are Empowerdex Certified as a Level 4 BEE Contributor with 100% Procurement Recognition.
